

Wisconsin Institute *for* Discovery

AT THE UNIVERSITY OF WISCONSIN-MADISON

October 31, 2016

Cale Geffre
Living Environments Lab
University of Wisconsin-Madison
Madison, WI

Dear Cale:

Thanks for all you did to make Science Fest such a success!

You did a great job interacting with the general public at the Spring Green Public Library. We are impressed with your professionalism and your ability to step in and pick up what ever activities were needed. Ross and Erica enjoyed the opportunity to work with you and to get to know you better.

Thanks again,

Kevin Ponto, Ph.D.
Assistant Professor

Karen Schloss, Ph.D.
Assistant Professor
